Reference: Additional Payment for application 10/711 662

Madame, Sir,

The 20 Feb 2007, I sent a fax with a Master Card credit card payment form of \$ 750.00 USD. Unfortunately, yesterday, I lost my credit card and I have been forced to cancel it. So, if USPTO had not yet passed the payment, it is more likely that it will not be authorized. I do not know.

Therefore, I send you this new payment for with my Amex Credit Card. If USPTO is able to charge the \$ 750.00 to my Master Card, please do not bill my Amex. Otherwise, please proceed with the payment with the Amex Card.

Best Regards,
